3. "Mission Mind Control" on Tape

"Mission Mind Control," a recent broadcast recounting Agency experiments with human behavior, was videotaped and is available for viewing through the Security Education Group. (U)

4. R&D Proposal Deadline

25X1A

██████████ Technical Security Division, has been named chairman of a new DDA R&D panel. This group, composed of permanent representatives from OS, OC and ODP and associate members from the other DDA elements, will submit unified, prioritized, comprehensive R&D proposals to the DDS&T. ██████████ noted that the FY 1982 planning cycle has already begun and items for DDA submission should be presented to him no later than 1 August.
