These personnel will be available for detail to the NCS during the 1965 summer rotation period under the terms of the modified Memorandum of Agreement. We have no other comments concerning Task 10 other than to request that the requirement for CIA personnel be reviewed after the proposed NCS organization is in operation and prior to our taking replacement action for the first two personnel.

The Executive Agent, National Communications System, has approved the enclosed Organizational Plan for the Office of the Manager, NCS, and has authorized the Manager to take necessary implementing action.

With few exceptions, the approved Plan is identical in content to the proposed Plan transmitted for your comments by my letter of 6 April 1965. Revised content appears on pages I-6 and 9; II-2, 3, 4 and 6; and III-3 and 16.

In your reply to my letter you indicated that you would be prepared to furnish personnel for the Manager's office in accordance with the staffing arrangement contained in Part II of the Plan, and the terms of a proposed Memorandum of Agreement that accompanied my letter. Accordingly, I have signed and am enclosing two copies of the final Memorandum.

I would appreciate your returning to me one completed copy of this Memorandum. Further details relating to the selection and assignment of personnel may be worked out directly with the Manager, NCS. A separate Memorandum has been sent to the other NCS Major Operating Agencies, together with copies of the approved Plan.

Sincerely,
