MEMORANDUM FOR: Acting Chief of Support Staff/FE Division

SUBJECT : Support Planning Team

1. In reference to our recent conversation, there is attached a report dated 18 November 1966 of the Support Planning Team that visited Saigon. I ask that this be brought to the attention of Messrs. [redacted] when they return from their trip to the Far East. If Mr. [redacted] desires a briefing on the Team survey, this can be arranged when he returns.

2. There are a number of matters mentioned in this report which warrant further attention; however, I do not know the status of actions on these matters. I understand that the Team discussed their findings with the COS and staff at Saigon and presumably attention has been given to these matters. However, as indicated above I am not certain where we stand. I would appreciate being advised of what matters should receive further attention and what I might do to see that proper support is being rendered.
