MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Participation by a Representative of the Office of Communications in the Support System Study

REFERENCE : Your Memorandum dated 21 May 1966, Same Subject

25X1 We have designated Mr. [] of the Office of Communications, Engineering Staff, to represent us as a full time participant in the conduct of the system analysis and design of information producing systems in the

25X1 Support Directorate. Mr. [] has considerable experience in logistics work, has been assigned overseas in positions involved in logistics matters and has a good overall knowledge of the Office of Communications activities. Accordingly, we believe his assignment will be mutually advantageous not only in the materiel resources area, but in the financial and human areas as well.

[]
