MEMORANDUM FOR: Director of Training

SUBJECT : Briefing on Language Incentive Awards

1. At a special briefing of the Director and Deputy Director, the latter asked for a short briefing on the history of language incentive awards. This resulted from my description of the Language Training Program and particularly how it fits within the Career Training Program. The DDCI suggested that perhaps incentive awards would assist in the Program and we advised that we had been through this Program before and had dropped it in favor of the Language Training Program as adopted in the earlier part of this year.

2. Please let me know when you are ready and I will arrange a time with Admiral Taylor.
