2. At your suggestion, I have again reviewed the nominations for Public Service Awards and I agree that we should nominate only one employee for a single award. After looking over the biographic data of those nominated for the William S. Jump Memorial Award and the Federal Woman's Award, I believe that a stronger case can be made for [redacted] [redacted] respectively.

To Mr. Warfield -

When I noted in the Noon Meeting yesterday Colonel White's comment on the nomination for more than one employee for a single Public Service Award, Mr. Bannerman asked me to obtain biographic data on [redacted] Biographic Profiles are attached.

STATINTL

I recommend that you withdraw [redacted] [redacted] from the William S. Jump Memorial Award nomination and [redacted] from the Federal Woman's Award nomination. I believe the cases of [redacted] would be a little easier than the others to present. I talked with [redacted] about this. She has no strong feeling on the subject. We agree that, based on past selections for the Award, neither [redacted] would seem to have a very good chance of winning it. Attached is a proposed memorandum to Colonel White.
