MEMORANDUM FOR: Director of Training

John:

A few days ago, I sent you an invitation from the Training Officers Conference to make nominations for awards. I believe that invitation was addressed to the Director of Personnel, and on the route slip I asked that you advise if you plan to make a nomination.

Attached is another invitation from the same organization, this time addressed to the Director, and the Office of the Executive Director-Comptroller has asked for a reply for signature of the DCI. The suspense date in the Office of the Executive Director-Comptroller is 10 February.

Could you tell us something about this organization? These annual invitations seem to be addressed to a number of people within the Agency, and if so, I wonder if the correspondence should be conducted at a lower level. We will appreciate your advice.
