MEMORANDUM FOR: Chief of Graphics Register

ATTENTION :

SUBJECT : Film of Swearing In Ceremony

1. It is my understanding that the film of the swearing in ceremony for the Director has been shown throughout Agency installations in the Washington area. My thanks to you and your people for the good work done.

2. We now wish to arrange for copies of the film to be placed for an indefinite time as the occasion arises (certain seminars, classes, etc., and for other uses as determined by appropriate officials). Initially, I would like to have three copies of the film delivered and charged to the DD/S. Additional copies may be needed at a later date if, for example, it is decided to show the film at selected locations outside the United States.

3. May I have the first three copies of the film by 6 September?
