MEMORANDUM FOR: Executive Director-Comptroller

Mr. Bannerman has obtained from Graphics Register, OCR, a copy of the film of Mr. Helms' swearing-in ceremony.

The copy has been recorded on the books of the Graphics Register as Agency property, but can be held by Mr. Helms indefinitely. As with all films from the major networks, this film is copyrighted and was obtained with the understanding of the National Broadcasting Company that it is to be used only for furthering the interests of the Agency. For this reason, although parts of the film have been shown publicly, the film is classified "Official Use Only".

This film requires a 16 mm. projector. If it is desired to show the film in Agency buildings, we can, of course, arrange for this at any time in our projection facilities. If Mr. Helms wishes to show the film elsewhere, he may need a screen and projector which can be loaned from our stock.

I will appreciate your advice as to what equipment may be needed along with the film.
