MEMORANDUM FOR: Director of Personnel

Emmett:

On the basis of attrition information which NPIC has been supplying in connection with its Monthly Personnel Status Report to the Executive Director-Comptroller, it would appear that losses among professional employees there are continuing to run at a much higher rate than in other Agency components. One of the status reports cites the following:

	LOSSES	
	<u>Annual NPIC Rate Professional</u>	<u>Annual CIA Rate Professional</u>
1963	9.6	6.4
1964	10.5	5.9
1965	11.9	6.0

Mr. Bannerman has asked that we get your analysis of this situation with an indication of whether in your judgment any of the reasons behind NPIC losses present a special problem. If so, we would also appreciate any suggestions you may have for dealing with this matter.
