STATINTL

I talked with [redacted] and then advised Barbara that DD/S had a meeting with [redacted] and representatives from DD/S&T, DD/I, OS, and OTR on 26 Sept 66. It was the general opinion that the current procedures [redacted] are adequate. Mr. Bannerman requested DD/I and DD/S&T to identify at least five officers each who can be added to the roster of speakers for use in complying with requests for Agency speakers. I also told Barbara that DD/S plans to reply in writing to Col. White when this action was completed. (To date, DD/I and DD/S&T have not replied.)

[redacted] phoned this morning (9:35 a.m.) to advise that Col. White plans to have a meeting with Mr. Helms on 20 Oct re this subj. If possible, they would like to have a reply (to the 30 Aug memo) by 17 Oct 66 for Col. White's use in the meeting with the Director.

[redacted] I had told you I would be glad to follow-up with DD/I and DD/S&T. I have not yet done so but, in view of Sally's request, do you want me to check now?
