Mr. Thomas W. Carr, Director
Commission on White House Fellows
1900 E Street, N. W.
Washington, D. C.

Dear Mr. Carr:

Thank you for your letter of 18 August 1966.

We would be pleased to have the new group of White House Fellows visit with us, and Mr. Helms has agreed to act as host during their visit. He would prefer that the visit be arranged for either the 26th or 27th of September. We plan to have a dinner for the Fellows followed by a briefing and discussion period, as we did last year.

Mr. John Richardson, our Director of Training, will contact your office within a few days to make the necessary arrangements for the visit.

Sincerely,

/s/ L. K. White
