Dear Mr. Helms:

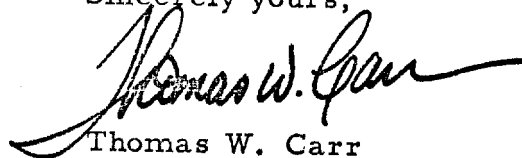

Would it be possible for the new group of White House Fellows to meet with you and your staff at the CIA during the week of September 26-30?

There will be 18 Fellows during the coming year--five on the White House staff, one with the Vice President, one with Ambassador Goldberg at the United Nations, and one with each of the eleven Cabinet officers. They will attend a three-week orientation early in September (similar to last year's, described in Tab 2 of the enclosed brochure.) Thereafter, they will be exposed to important policy issues during a continuing educational program (Tabs 3-5).

We think it important that the role of intelligence in foreign policy be covered early in the year, and we would greatly appreciate your help in arranging a meeting at the CIA. (Last year's session with you and your staff was clearly one of the highlights of the entire program--and I hope it will be possible to hold a similar session for the new group.)

OK  
I can be reached on code 128-21613. I look forward to hearing from you.

Sincerely yours,

  
Thomas W. Carr

Honorable Richard N. Helms  
Director
