25X1 SUBJECT : Proposed Revision [redacted] Civil Service Retirement System

25X1 1. Concurrence is requested on the attached revision of [redacted] Civil Service Retirement System. You will recall that a version of subparagraph b of this regulation was circulated on 9 October 1968, but subsequently withdrawn. Comments received on that proposal caused the preparation of the attached comprehensive revision of the regulation, which includes the following changes:

- a. Adds to the regulation the present policy that certain contract employees are eligible for Civil Service Retirement System coverage;
- b. Strengthens the language of the policy statement by changing it from "The Agency encourages employees to retire voluntarily..." to "Employees generally will be required to retire...";
- c. Clarifies exception policy; and
- d. Adds a new subparagraph which requires that requests for extensions of employment must be submitted a minimum of twelve months in advance of the scheduled retirement date.
