MEMORANDUM FOR: Executive Director-Comptroller
SUBJECT : Security Clearances for the Senior Seminar
REFERENCE : Memo fm DTR to Ex. Dir.-Compt. same subj.
24 June 71.

1. This memorandum contains a recommendation for your approval in Paragraph 4.

2. The referent memorandum requested approval for issuing a number of compartmented security clearances to Senior Seminar participants and staff. This request was approved by the Executive Director-Comptroller on 2 July 1971 with the proviso that the Office of Security review the granting of these special clearances to insure that established security criteria had been satisfied. This guidance has been carefully observed.

3. I am informed that a new compartmented clearance [redacted] has been established which is parallel to the [redacted] clearance (successor to the earlier [redacted] clearance) in the BYE system. As the [redacted] clearance is authorized for the Seminar, the full benefits of access to the field so protected would not be realized without approval for the parallel compartmented clearance. Thus, I believe that issuance of the new [redacted] clearance would assist materially in achieving the Seminar objective of broadening the participants.

4. I recommend that you approve the issuance of the [redacted] clearance to the participants in the Senior Seminar and to the staff members conducting the Seminar, subject in each instance to review by the Office of Security that the security criteria for issuance of the clearance have been met.

MEMORANDUM FOR: Executive Director-Comptroller
 THROUGH: Deputy Director for Support
 SUBJECT: Security Clearances for the Senior Seminar

1. This memorandum contains a recommendation for your approval in paragraph 4.

2. The goals of the Senior Seminar include broadening of the participating officers through exposure to a wide range of problems and activities involved in the US intelligence effort. To achieve this goal, it is essential that they be cleared during the Seminar for access to certain compartmented security clearances.

3. In my judgment these clearances should include:

- a. SI Category 3, including 25X1
- b. TKI; and 25X1
- c. for this running of the Seminar, project clearances ID in the control system. 25X1

4. Recommend that you approve the issuance of the security clearances identified in paragraph 3 above to the 20 officers selected to attend and the officers who will conduct the Senior Seminar.
