

9 September 1966

MEMORANDUM FOR: Director
Advanced Research Projects Agency
Department of Defense
Washington, D. C.

ATTENTION: Dr. Stanley Raby

SUBJECT: Transmittal of CIA/BI OR 67-5, "Peoples and
Activities in the Ulan-Ula Area", September 1966

REFERENCE: DIA Memorandum C-0554/AP-1B, Subject: Sociological
Supplements to Terrain Atlases(U), 25 April 1966

1. Forwarded herewith are 10 copies of "Peoples and Activities in the Ulan-Ula Area", the pilot study prepared in response to your request transmitted officially to us through DIA in the referenced memorandum.

2. We would appreciate hearing from you as to the potential utility of this study and the relevance of the data we have included. After you have evaluated the usefulness of the study as a sociological supplement to the terrain atlas, we can meet with you to discuss further CIA relationship to the larger project covering other locations.
