14 JULY 1980

41. [Redacted] REMOTE RECEIVING SYSTEM STUDY [Redacted]

2525X1

As part of the enhanced ^UMoslem world coverage funding FBIS was tasked to study and develop a hard design for a remote system using the [Redacted] system. A RFP for this study was issued 22 April 80. Three responses were received. The responses were evaluated and [Redacted] Division was selected as the winner. [Redacted]
