**Remarks:**  
 You will recall I recently sent you a copy of a memo I sent [redacted] bringing to his attention an attempt by DIA to change their dissemination of intelligence reports which included photo enclosures. Whether [redacted] complaint to DIA caused them to modify their plans or something else prompted them to cancel their procedure of sending the enclosures out separately from the transmittal memo, we don't know, but anyway they have returned to their original procedure. [redacted] by the way, never offered any comment or assistance on the matter [redacted]
