Dear FOIA Request Officer for Central Intelligence Agency:

I would like to ascertain the existence of certain files, investigative reports and documents that the Central Intelligence Agency may have collected from 1955 to 1979 that relate to rock music, rock music artists and groups, and the politics of rock music. Moreover, if any files exist, I would like to have a copy of such files if the cost is not too prohibitive. Please advise if you have any files, reports, and/or documents at the Central Intelligence Agency main office or in field offices that would be available to me under the Freedom of Information Act concerning the following rock music artists and topics:
