10 March 1982

MEMORANDUM FOR: Director of Central Intelligence
FROM : SA/DCI/IA
SUBJECT : HAC Defense Subcommittee Hearing on El Salvador

1. [] just informed me that you have agreed to appear before the HAC Defense Subcommittee tomorrow morning. ~~He also informed me that you are working out with Dewey who you wish to accompany you.~~ 25X1

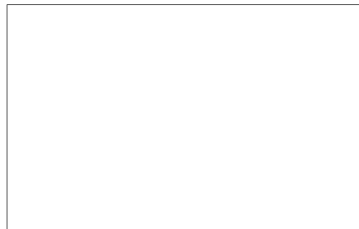

2. I just talked to Admiral Inman, who has decided that there is no need for him to participate. I agree with him that it does not seem necessary to have both of you appear each time before these committees on this subject.

3. I have quickly pulled together the following materials for your possible use tomorrow.

4. First, you have a copy of your statement from the HPSCI on 4 March, which is a short introduction to the [] briefing. In case you wish to use some of the formulations from your introduction today, I have included a copy of your "wise people" opening statement. 25X1

5. I don't really think you need anything else. I already passed you today as a backup book for the SSCI all the material from Dewey, [] [] In case you have found it useful in the past, however, I have included a copy of the text which [] uses for his presentation, which also includes in the beginning an outline of the [] Dewey, [] presentation. 25X1
