KAH:

Pls call Doris LeBaron re adding another item to the Haig breakfast:

It will be brought up at the Carlucci/DDCI lunch and should simultaneously be brought up at Haig/Casey breakfast.

Casey signed off on our paper just recently (mid-Sept). State/Defense should also have papers for their Secretaries. They should be ready for this. This was triggered by DepSecDef wanting it on the Carlucci/DDCI luncheon agenda.
