MEMORANDUM FOR THE RECORD

SUBJECT: [redacted] Discussion with HPSCI on Problems of Agency Spouses

STAT

1. On 18 March [redacted] advised me that she had been informed by ex-DCI William Colby that House Permanent Select Committee on Intelligence (HPSCI) proposes to include questions on problems of Agency spouses in forthcoming hearings. She asked what "clearances" she was required to obtain for appearing at such hearings and whom should be informed. She also confirmed that she and Mrs. Colby would be lunching with General Counsel Stanley Sporkin on 19 March 1982.

STAT

2. I suggested that to [redacted] that she make the above information available to Mr. Sporkin before their 19 March lunch and that she, in general, keep OGC and LLD informed on developments of any hearings as they proceed.
