

EA 82-0063/10  
24 February 1982

MEMORANDUM FOR: Inspector General  
General Counsel

VIA: Chief, Legislative Liaison Division

FROM: Chief, House Liaison, Legislative Liaison Division

SUBJECT: Wilson-Terpil Hearings

REFERENCE: EA 82-0063/6, 8 February 1982 (attached).

1. Mike O'Neil, HPSCI Chief Counsel, called recently on behalf of Representative Romano Mazzoli (D., KY), asking to be supplied with copies of the legislative remedy proposals the Agency is "toying" with re the Wilson-Terpil problem. Mike cited a dialogue between Mazzoli and the General Counsel at the 2 February hearing where--allegedly-- Mr. Sporkin promised to provide Mazzoli with legislative proposals. I personally do not recall any such promise but do recall Mazzoli suggesting five specific areas of concern he would like to see incorporated into any legislative remedies that are crafted. (Reference, attached) The transcript from the hearing should be consulted with a view to determining whether any such promise was made.

2. Please advise as to whether any legislative drafts are available to pass along to Mazzoli via O'Neil. O'Neil noted that the Committee is anxious to have the proposals in preparation for further hearings, as yet unscheduled.
