EA 82-0063/9
18 February 1982

MEMORANDUM FOR: Inspector General

VIA: Chief, Legislative Liaison Division

FROM: Chief, House Liaison, Legislative Liaison Division

SUBJECT: Wilson-Terpil Transcript

REFERENCE: a) EA 82-0063/6, 8 February 1982, "Follow-Up Items to Wilson-Terpil Hearings" (attached);

b) EA 82-0063, 12 February 1982, "Wilson-Terpil Follow-Up Questions" (attached).

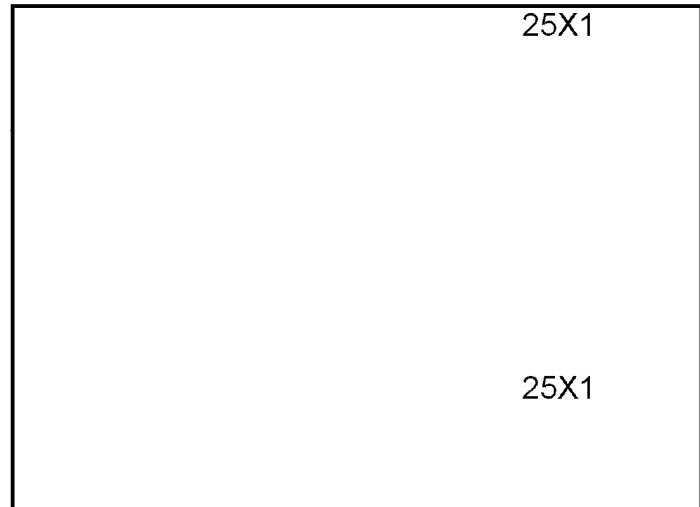

1. Attached for your review and subsequent transmittal to the General Counsel for his review is a copy of the Wilson-Terpil hearing transcript taken on 2 February before the House Permanent Select Committee on Intelligence (HPSCI).

2. You will note that the Committee--on the "Contents" page of the transcript--lists follow-up questions on pages 53, 96, and 106. But for the question appearing at page 53, the others (questions at pp 96 and 106) are additional to the ones identified in my reference (a) memorandum. The transcript should be reviewed carefully with a view to identifying therein all questions for follow-up.

3. Please consider the transcript review to have the same deadline as that controlling the specific follow-up questions provided by the Committee, viz., 3 March [reference (b)].
