SUBJECT: Follow-Up Questions: 4 March Briefing Before the  
HPSCI

1. Per my 23 March conversation with [redacted] I am forwarding a copy of the 15 March letter from HPSCI Chairman Boland re Subject. Boland's letter asks for, among other things, responses to an enclosed list of questions. We have reviewed the questions and are of the opinion that a number of them may best be answered by [redacted] officers. In that category, we have identified the following questions: 1, 2, 3, 7, 9, and 10. We'd appreciate your prompt attention to this matter. You will note Mr. Boland's 24 March deadline which has been extended per HPSCI Staff Director. We are attempting to complete our answers internally by noon on Friday, 26 March. That--obviously--would not be appropriate [redacted] Since we'd like to send the responses to the questions back to the Committee in a single package, we request expedited consideration of the questions. If feasible, please send the responses to me via courier (Room 7B24, CIA) by COB Wednesday, 31 March.

2. I would like also to draw your attention to paragraph three of the Chairman's letter, wherein he requests a "photocopied set of the viewgraphs shown to the Committee" on 4 March. Since the information on those graphs is [redacted] product, we defer to [redacted] in deciding whether or not to fulfill the Committee's request. Please advise as to your decision so we can incorporate it into our official response to the Committee.
