Memorandum

Major General Daniel O. Graham, USA
Chairman

TO : National Security Council
Intelligence Committee Working Group

DATE: May 1, 1973

From FROM: Kevin T. Maroney
Deputy Assistant Attorney General
Criminal Division
Department of Justice

SUBJECT: National Security Council Intelligence
Committee Working Group

Since the inception of the Working Group, a Department of Justice representative has attended meetings. Because of the subjects under consideration by the Group, we have made little or no contribution to it; therefore, in the future the Department of Justice representative will not attend the regular meetings of the Group.

We will attend whenever you think it necessary or in those instances where we feel we can make a contribution to the subject under discussion.

We would appreciate receiving agendas issued by the Working Group; however, it is not necessary that we receive supporting papers or routine distribution of documents from the Committee.
