SUBJECT
 Letter to Scowcroft re NSCIC Meeting
 Memo to Chairman, NSCIC re NSCIC WG Membership

REMARKS

PURPOSE:

- To get Scowcroft approval to DCI chairing meeting of NSCIC to consider KIQs.
- To get Chairman, NSCIC approval of revised membership for NSCIC Working Group.

DISCUSSION: As regards reorganizing the NSCIC Working Group, you will recall that when the NSCIC consideration of the KIQs was under discussion last month, the possibility of having the KIQs looked at by the Working Group was raised. Mr. Colby said that he was interested in having the Working Group "die on the vine" since he preferred to handle matters by dealing directly from his office with members of the NSCIC.

RECOMMENDATION:

Recommend you consider clearing the NSCIC Working Group reorganization with Mr. Colby. Summary sheet for your signature attached.

Recommend you sign the letter to Scowcroft and the memo to the Chairman, NSCIC.
