Dear Bert,

STATINTL I am looking forward to our discussion on Friday morning. Jim McDonald, Director of the Office of Logistics at CIA, and [redacted] who's head of Plans and Programs for Jim, will join me. In order to present a coherent set of recommendations, we have developed the enclosed paper. I will be using it in our discussion and I thought you might want to peruse it ahead of time.

The paper is undergoing review in CIA and, in a week or ten days, I plan to send it formally from Admiral Turner to you.

Sincerely,

*Don*
