

25 MAR 1974

MEMORANDUM FOR: Director of Logistics

SUBJECT : Agency Conversion to the Metric System

1. With reference to the USIB report concerning a partial conversion to the metric system (attached), I am forwarding a copy of an evaluation I prepared for an employee suggestion on the same subject.

25X1A9a

2. Considering the [REDACTED] comment on the possibility of establishing an objective for "a plan for the orderly conversion to the use of the metric system. . .," do you wish Plans and Programs Staff to do any exploratory work in this area? I am thinking that we could determine what (if anything) other agencies are doing about the problem.

[REDACTED]
Chief, Plans & Programs Staff, OL
