

CERTIFICATE

I understand that the processing of a Pentagon Parking Permit Replacement Request (DD Form 1200) cancels the permit and makes it illegal for use. If the permit is recovered it will not be used on any car, but will be turned in to the Parking Control Office.

TABLE OF ADVERSE ADMINISTRATIVE ACTIONS FOR PARKING OFFENSES

TYPE OF OFFENSE

ADVERSE ACTIONS

1. Multiple occurrences of receipt of parking Violation Notices within a period of one year.

Dependent on the number of occurrences, adverse administrative actions will range from letters of warning through command channels to notice of permanent revocation of Pentagon parking privileges through command channels.

2. Unauthorized use of parking permits to include permits reported lost, strayed or stolen; permits improperly transferred or loaned, i.e., individual to individual, car pool permit to an individual not a registered member of the car pool, and permits that have expired or have been declared invalid by the Central Parking Control Office.

Revocation of Pentagon parking privileges ranging from a period of not less than six (6) months to an indefinite period. Notification of the revocation will be forwarded through command channels.

3. Reproduction, alteration and/or counterfeiting Pentagon parking permits.

Revocation of Pentagon parking privileges ranging from a period of not less than six (6) months to an indefinite period. Notification of the revocation will be forwarded through command channels.

4. Using false information to obtain a Pentagon parking permit, i.e., registering non-participants as car pool members, being carried as a registered member of more than one car pool at the same time and/or falsely executing or using falsely executed car pool validation certificates.

Revocation of Pentagon parking privileges ranging from a period of not less than six (6) months to an indefinite period. Notification of the revocation will be forwarded through command channels.
