Memo for Office Directors of OSA, OSP, OEL, ORD
FROM: Carl E. Duckett, Acting DD/S&T

~~XXXXXXXXXXXX~~

Consideration of need to establish internal DDS&T approving levels for obligation of NRO funds which would be consistent with prescribed procedures for management of CIA funds, required that quarterly forecast should be prepared in a format which would provide the DDS&T sufficient information on which to base approval in principle of the proposed actions. The DCI certifying to expenditure of NRO funds under same statutory authority as expenditures of CIA funds.
