PERSONNEL Reduction 3 Feb 1966

STAT ExDir-Compt is submitting for DDCI approval a recommendation that DD/S&T be asked to absorb a reduction [] in FY 1967 budgeted personnel ceiling.

Result of LBJ request for a 1-1/4% cut of the whole Agency.

Dr. Wheelon did not agree to a reduction of this magnitude which was disproportionate towards DD/S&T as compared with the other larger Directorates.
