SUBJECT: Contracts between CIA and Former CIA Employees

1. While various statutes and/or regulations address restrictions on activities of former Government employees, we, as an Agency, have not reenforced these statements by issuance of a policy on contracting with former employees. Attached for your consideration are drafts of a Headquarters notice, plus an implementing procurement note and precontract certifications.

2. We feel that the attached policy should be implemented, and we request comments from addressees by 9 May 1983. Upon receipt of your comments, appropriate changes will be made and formal coordination will be accomplished.
