18-7

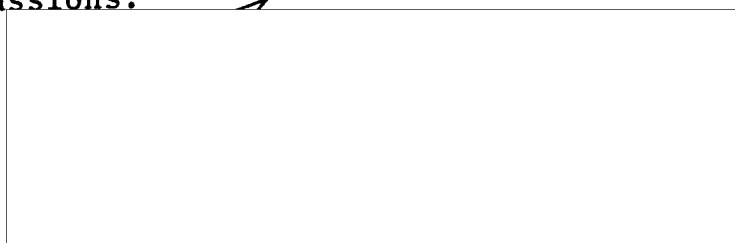

MEMORANDUM FOR: Chairman, Board of Studies
THROUGH : Deputy Director for Administration
FROM :
Director of Training and Education
SUBJECT : CONFERENCE REPORT; "THE CIA AND ITS
ANNUITANTS"

25X1

1. The Center for the Study of Intelligence sponsored a Conference on the CIA and Its Annuitants on 7-8 December 1982. The primary objective of this conference was to provide a forum for free discussion of issues of concern to the Agency and to permit the participants to explore some of the more important dimensions of these issues.

2. A summary of the comments made by the participants is forwarded for your information and for distribution to other Agency officials with an interest in this topic. It is emphasized that the conference report does not attempt to establish an Agency position on these issues, nor does it necessarily reflect a consensus of all of the participants. It is a summary of their discussions.
