b. [] INTERNAL ACCOUNTING AND ADMINISTRATIVE CONTROL
DIRECTIVE

/ / Expire / / Extend / / Reissue

JUSTIFICATION **

Please consider the following when reviewing this notice for its expiration. Should the information contained in the notice be allowed to expire without it having been incorporated into an Agency regulation or handbook, the information ceases to be policy.

** Altho all comments, etc., [] have been resolved, one item recommended by OGC must be discussed with the DDA and the EXDIR. We expect a response by mid-November but if the recommendation is accepted, the regulation could not become effective prior to 1 January 1985. If that is so and if the HN and FN are due to expire on that same date, there most probably would be a period of time when the Agency would be without a written policy on a matter mandated by law. Accordingly, we believe that the HN and FN should be extended until the the corresponding regulations are issued.
