MEMORANDUM FOR: Director of Communications
Director of Logistics
Director of Security

DDA MEMISTRY
FILE: 30-7

FROM: Harry E. Fitzwater
Deputy Director for Administration

SUBJECT: Theme Package on Counterintelligence for
the FY 1985 Program

It is clear that there will continue to be a great deal of emphasis on the challenges which we must meet in the counterintelligence field. As you know, counterintelligence has been the subject of special attention by the President, the National Security Council, and the DCI over the past year. Given this degree of attention, I would speculate that the Agency will be developing a resource intensive theme package to meet this objective. In view of the foregoing, it is requested that you submit the necessary information dealing with your needs in the counterintelligence field. Submissions should follow instructions contained in the 1985 Program and Budget Call. It would appear that the basic information relating to your submission has previously been cast in other formats, i.e., long-range planning papers on counterintelligence and contributions to the paper prepared by SECOM. Your individual submissions will be incorporated by the Management Staff into a single New Initiative in the 1985 Program. If you have any questions, please contact
