SUBJECT: HPSCI Questions on 1984 CIAP

1. We received the attached questions from Jim Bush by telephone yesterday and have been asked to ensure that the Executive Director be prepared to address them during the course of his hearing Thursday morning.

25X1

2. In order to provide the ExDir an opportunity to prepare his response to these questions, we need to turn around suggested answers within a day. Responses should be in outline, talking point format but as complete and specific as necessary to respond to the questions. If possible, limit the answer to a single page. It is quite likely we will receive many of these same questions formally subsequent to the hearing and the answers we prepare now should be the basis for our formal response.

25X1

3. Please return these responses to AnG by noon Wednesday, 13 April.
