SUBJECT: DCI-6 (...Agency Headquarters Building...
Vols. I, II)

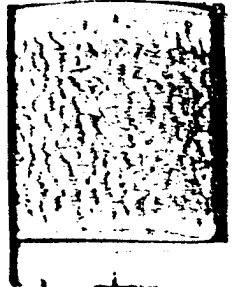

Harvy

- o As mentioned, for lessons learned awareness, as well as some interesting reading, I commend to you the attached history.
- o Activity relevant to the remaining phases of your new building begin about pg. 95, at the third paperclip in Vol. I. (Vol. II contains all the detailed appendices.)
- o Scanning the first 95 pages gives a fascinating glimpse of DCI Bedell Smith's role, which I had not appreciated.
- o Suggest you send the package directly to Ken McDonald when you have finished with it.
