Mr. Harry E. Fitzwater
Deputy Director for Administration
Central Intelligence Agency
Washington, DC 20505

Dear Mr. Fitzwater: *Harry*

This refers to your memorandum of September 23, 1983, concerning the work space management plan of the Central Intelligence Agency (CIA).

In your letter of August 8, 1983, it was indicated that CIA representatives would be glad to discuss any aspects of agency data orally with the General Services Administration's personnel on a classified basis.

In our response of September 7 responding to CIA's request for an exemption based on national security reasons we agreed to a meeting between our representatives to discuss the extent of CIA's participation in this Presidential space reduction initiative. A copy of that letter is enclosed. We are waiting to hear from your representative when this meeting will take place.

Sincerely,

Ray Kline
Deputy Administrator
