Mr. Harry Fitzwater
Deputy Director for Administration
Central Intelligence Agency
Washington, D. C. 20505

Dear Harry:

Although I have mentioned it to you before, I wanted to formally thank you for your recent assistance to me and the Defense Intelligence Agency. Your quick support in arranging for regularly scheduled destruction of burn bags has been a tremendous assistance to us in relieving what was becoming a real serious backlog and potential security risk.

I also wanted to express my appreciation for your personal intervention in setting up the arrangements for SAFE training of DIA personnel at the Information Service Center. It is a good example of how, with cooperative effort, we could maximize the use of an existing facility to meet immediate needs of both agencies. Lastly, I also wanted to mention your assistance to speed up the clearance process for DIA personnel needed for SAFE Early Capability in DIA.

I have personally enjoyed working with you over the last several months and appreciate your continued cooperation.

Sincerely,
