12 April 1983

MEMORANDUM FOR: [redacted] 25X1
 Director, Planning and Policy Staff [redacted] 25X1

FROM: [redacted] 25X1
 ICS/IHC

SUBJECT: Meeting with [redacted] EXDIR/CIA, Concerning IC 25X1
 Computer Security Project 25X1

1. During the 7 April 1983 meeting with [redacted] EXDIR/CIA, [redacted] 25X1
 [redacted] provided an overview of the proposed efforts regarding the joint 25X1
 DoD/IC Computer Security project. The meeting was held in [redacted] office 25X1
 and was attended by the DD/ICS, Miss Eloise R. Page. [redacted] offered his
 personal and organizational support for the project and indicated that he felt
 such an effort was very important to the future of the Community and its
 relations with the military customers. [redacted] 25X1

2. [redacted] expressed his feeling that the Community needs to address 25X1
 this area in light of large Agency automated projects such as SAFE and CRAFT
 which will eventually tie [redacted] different terminals into each system. 25X1
 [redacted] asked that the project team consider the role of the Military 25X1
 Theater Commanders in obtaining processed intelligence materials in a war-time
 as well as a peace-time situation. [redacted] was given a copy of the 25X1
 proposed work statement for his review. [redacted] 25X1

3. [redacted] agreed that the effort should include a threat assessment, 25X1
 and that key members of the Community should be briefed on various special
 projects within the Agency and throughout the Community. [redacted] again 25X1
 offered his personal support for the effort and recommended that the following
 Agency representatives be contacted during the performance of the effort:
