## SECRET NOFORN SENSITIVE

(Eyes only)

November 14, 1983

MEMORANDUM TO: William J. Casey

Director

Central Intelligency Agency

FROM:

Lionel H. Olmer

If my French contact is representative of European thinking, our allies have serious strategic reservations about America's developing relationship with the People's Republic of China -- reservations that will inhibit implementation of the Administration's initiative on technology transfer to the PRC.

I would be interested in your views as to the sincerity of these European concerns.
