

S E C R E T
THE DIRECTOR OF
CENTRAL INTELLIGENCE

National Intelligence Council

NIC# 3620-83
18 May 1983

NOTE TO : DCI

THROUGH : C/NIC

FROM : Dave Gries

SUBJECT : "Questions on China" paper (attached)

1. The attached paper is a personal view of recent developments and guiding principles in US--Chinese relations. Since it also contains some policy suggestions, the point is made that the paper does not represent a coordinated CIA position. Thought you might be interested.

David Gries
