Dear Sir/Madam:

Because of your interest in national security and terrorism, I am enclosing for your consideration two records of hearings held by the Subcommittee that have been recently published.

The first volume entitled, "FBI Oversight and Authorization" reviews the accomplishments and events affecting the Bureau during the preceding year. In addition, this volume records the discussion between the Subcommittee and the FBI pursuant to forecasting needs and requirements of the upcoming year.

The second volume is entitled "The Cuban Governments Involvement in Facilitating International Drug Traffic." This hearing provides a new understanding of the relationships between criminal drug traffic and the financial support structure for Cuban based terrorism.

I believe these hearings will provide useful information as you consider these important matters.

Sincerely,

Jeremiah Denton
