Honorable John N. McMahon
Deputy Director of Central Intelligence
Washington, D.C. 20505

Dear Mr. McMahon

The 544th Strategic Intelligence Wing is planning its annual dining-in for the month of October 1983 at the Offutt AFB Officers' Club. On behalf of the men and women of the wing, it is my pleasure to extend an invitation to you to be our honored guest and guest speaker for this festive event.

As background information, the 544th Strategic Intelligence Wing is the largest military intelligence production organization in the Department of Defense and is the only intelligence wing in the Air Force. The wing has a long and distinguished tradition of support not only to SAC and the Joint Strategic Target Planning Staff, but to the defense and national intelligence communities as well. On the 15th and 16th of February we had the pleasure of hosting and showing wing functions to [redacted] and others from your organization. It would be our distinct honor to show you what the young men and women of the wing are doing and have you share your thoughts with them. I am providing a copy of the wing Fact Book which describes its current organization.

STAT

I have reserved the 8th and 15th of October at the Officers' Club. I hope you will find one of these dates acceptable. The final dining-in date will be determined by your response to this invitation. I look forward to hearing from you.

Sincerely

MARK A. DELANEY, Colonel, USAF
Commander
