MEMORANDUM FOR: Director of Central Intelligence

FROM :

[Redacted]

Deputy Director, Public Affairs
Office

STAT

SUBJECT : Proposed Letter to Senator Goldwater

1. Action Requested: Sign the attached letter.

2. Background: The summer issue of WASHINGTON QUARTERLY contained articles on intelligence by Goldwater, former Church Committee staffer Anne Karalekas, and current SSCI staffer Angelo Codevilla. The latter article (opposite) is badly distorted and appears to represent SSCI views, which it does not. The attached letter to Chairman Goldwater complains about Codevilla's intransigence.

3. Staff Position: Bob Gates and [Redacted] have reviewed this letter and strongly agree with the recommended action.

STAT

4. Recommendation: Sign the attached letter and follow-up with a visit to Senator Wallop to register a similar complaint.
