5. Coordination of Intelligence
Activities Regarding the
Formosa Straits Situation
(IAC-D-91/2, 28 March 1955)

Action on this paper was deferred pending further study by the members. The Chairman requested that, if possible, the members make their views known before the next meeting, scheduled for 12 April. He ascertained that the FBI and AEC members did not have an immediate interest in the matter but would be kept advised. It was agreed to change the word "could" to "should" in the third sentence of paragraph 6b and to reference DCID 5/1 in paragraph 7a.

6. Comments of Admiral
Stump on NIE 100-4-55

The Chairman read the comments of Admiral Stump on a summary of NIE 100-4-55 "Communist Capabilities and Intentions with Respect to the Offshore Islands and Taiwan through 1955, and Communist and Non-Communist Reactions with Respect to the Defense of Taiwan" which CIA had circulated to the field. He directed the Secretary to provide the members with copies of the summary and of Admiral Stump's comments thereon.

7. Executive Session

At 1205 the Chairman requested the members to remain for an Executive Session. Following a discussion of certain aspects of the Offshore Island situation, it was agreed that the IAC Current Intelligence Group for the Formosa Straits Problem would hereafter produce weekly a roundup of events designed to provide reader continuity.
