

3 May 1983
MLD-3018

MEMORANDUM FOR: Director, FBIS

FROM: Chief, London Bureau

THROUGH: Chief, Operations Group

SUBJECT: Monthly Report -- London Bureau -- April 1983

I. GENERAL

- A. The Foreign and Commonwealth Office's study of the BBC Monitoring Service's modernization program, begun last month, seemed to be picking up steam. London Bureau was asked to participate in briefing FCO and other officials this month. Acting Chief [redacted] gave a short explanation of FBIS modernization steps and FBIS-BBC cooperation to Adrian Thorpe of the FCO's Information Technology Department and Dave Robinson of the Treasury's Central Computer and Telecommunications Agency on 13 April. The visitors were given a tour of the Communications Unit by Communications Supervisor [redacted] STAT
[redacted] STAT
- Dr. A. Morgan, FCO communications expert, spent part of his day-long visit on 20 April discussing satellite monitoring operations and equipment with Bureau Engineer [redacted] at the Portakabin. He was also shown the press facsimile operation and wound up the FBIS portion of the tour by packing into the darkroom along with Monitoring Service Head [redacted] and two other BBC officials to watch the printing of first page of the day's run. STAT
STAT
- B. On 15 April the BBC Conference room was filled with anxious bureau staffers and spouses who were subjected to a briefing by Air Force personnel on British driving regulations. The Air Force rediscovered FBIS recently and, reversing a 1974 decision, decided that staff personnel must have Air Force driving permits for U.S. military bases in the U.K. A 50-question multiple choice test was administered in lenient fashion; to universal relief, all passed.

II. OPERATIONS

Monitorial/Editorial

1. Three major Soviet news events dominated editorial attention during the month: Gromyko's first press conference in 4 years, the Lenin anniversary speech delivered by Gorbachev, and the traditional May Day festivities. The Gromyko press conference pointed up the long-standing problem of the BBC's cumbersome Russian processing procedures, particularly apparent in this instance since TASS English coverage was

-2-

unusually slow. Headquarters feedback on this subject has been helpful in continuing discussions with the BBC on satisfying the Wire's needs for more timely reporting.

2. The BBC surveyed the new "Radio Moscow International" broadcasts in French as well as Moscow French-language beams to specific target areas. A coverage package has been proposed that maintains the current number of listening hours, a plan acceptable to FBIS. The new pattern of French-language broadcasting will be reviewed periodically to determine if coverage should be adjusted. The BBC's Persian team chief made a detailed survey of Tehran radio's daily output for a week, 16-22 April, a study prompted at least in part by two signal failures by the Persian team during the month.
3. BBC's search for another source for TANJUG's Domestic Service in Serbo-Croatian, which apparently shifted from RTT to landline in late March, finally bore fruit in late April with the discovery that this "general service" was available from Belgrade via the AUSTRIAN PRESS AGENCY. In the interim, the BBC assumed some of Austrian Bureau's Belgrade Domestic Service coverage to ease Vienna's burden in providing missing TANJUG domestic items from the press. With Vienna's invaluable cooperation, the service was instituted on 22 April.

III. ADMINISTRATION

A. Personnel

[redacted] entered on duty 18 April as a tape relay operator. STAT

[redacted] editorial assistants in the Tabulation Unit, received promotions to FSN-8. STAT

B. Building and Grounds

Two bureau units are undergoing much-needed renovation. PMU's peeling walls, caused by "falling damp," have been scraped and replastered and are drying prior to painting. Re-roofing was done at the same time, giving PMU personnel strong whiffs of hot tar along with the dust from the walls. Bureau editors got their own dusting during the installation of new ceiling lights in the editorial room, with ceiling repairs and painting still to come.

IV. VISITS

Bureau Chief [redacted] to the annual bureau chiefs conference in Washington 11-22 April; Jordan Bureau Chief [redacted], TDY 25 April. STAT
STAT

-3-

V. SPORTS

PMU Chief [redacted] made a creditable showing in his first venture into Thames rowing circles. He and his partner, with coxswain, came in 16th out of 42 entries in the annual "Rowlock Rally" sponsored by the Henley Roundtable for charity, rowing two of the segments (no, not the whole way--yet) between Oxford and Henley.

STAT

Bureau chaffeur [redacted] turned in a better performance, winning first prize in the men's "four-ball better ball" two-day competition at the Reading Golf Club.
