

Ops

2 February 1983
MLD-3005

MEMORANDUM FOR: Director, FBIS
FROM: Chief, London Bureau
THROUGH: Chief, Operations Group
SUBJECT: Monthly Report -- London Bureau -- January 1983

I. GENERAL

A. After receipt of the pressfax equipment from Okinawa on 7 January and trial runs of Soviet fax transmissions from 26 through 28 January we began regular full coverage of these transmissions on 29 January. Seven-day evening editorial shifts were instituted in the PMU and PMU media analyst [redacted] was transferred to a newly created editorial position in the unit to help staff these shifts. Pending the EOD of new hires, relay operator [redacted] has been loaned to the pressfax unit for technical assistance. As of month's end the operation was shaking down nicely with the predictable glitches being straightened out as they arose. First dividend was received on 1 February when we filed from the 2 February PRAVDA the most complete account of Andropov's remarks during a factory walkabout.

STAT
STAT

B. [redacted]

STAT

C. Bureau officers briefed the BBC's East Africa Unit chief-designate [redacted] on FBIS's interests in the work of the unit. [redacted] who for the last five years has been head of the BBC's Swahili service, will assume his duties in early March. He succeeds [redacted] who, to the sorrow of his many friends, died late in December after an illness lasting several months.

STAT
STAT
STAT

- D. The national strike of Britain's waterworks employees began its second week as of month's end. The Monitoring Service has made extensive preparations to cope with a possible failure of water supplies from the mains and such an eventuality is not expected to hinder operations. It will certainly be an uncomfortable affair if this happens, however. Neither side in the dispute shows any signs of giving in and the unions reportedly have enough in their treasuries to pay their members strike benefits for three months.
- E. At the bureau's request the BBC Architects Department awarded to the low bidder the contract for construction of the cable duct between the ROSET site and the operations room in the new cubicles building. The work is expected to take 30 days from startup and we were awaiting a startup date from the builder as of month's end. Meanwhile bureau engineer [redacted] is completing the plans and shopping list for the dish control room.

STAT

II. OPERATIONS

A. Editorial/Monitorial

- 1. The new year opened at a relatively slow pace for London Bureau. Events during the month included the Warsaw Pact's Political Consultative Committee meeting and a Pact defense ministers' meeting; the status and re-entry into the atmosphere of parts of the nuclear-powered Soviet satellite Cosmos-1402; the joint PZPR-ZSL plenum in Poland; Libyan leader al-Qadhdhafi's visits to Bulgaria and Romania, during which he signed friendship and cooperation treaties; and, at the end of the month, reaction to President Reagan's State of the Union message.
- 2. High-level visitors to West Germany--Soviet Foreign Minister Gromyko in mid-month, and U.S. Vice President Bush at the end of January-- [redacted] well as London Bureau busy. [redacted]
- 3. A new Soviet identification of Shishlin as "consultant at the CPSU Secretariat," pointed out by a BBC monitor and bureau editors, prompted an AG Analysis Note speculating on the significance of the new title and reviewing Shishlin's background and views.

STAT
STAT
STAT

-3-

4. During the month eight more Polish provincial newspapers were added to PMU coverage, bringing the total of provincial papers to 19--an increase of 11 since Polish monitor [redacted] entered on duty in July 1982.

STAT

B. Cologne Unit

1. At the request of the U.S. Mission at NATO in Brussels, the unit on 5 January processed a lengthy analysis in DIE ZEIT on the status of the INF negotiations.

III. ADMINISTRATION

1. Senior Editor [redacted] departed on PCS to Headquarters on 12 January. Senior Editor [redacted] arrived on PCS assignment from Headquarters on 5 January.
2. Contract technician [redacted] entered on duty on 4 January for assignment on the press facsimile project. A second contract technician, [redacted] has been approved for employment.

STAT
STAT

STAT

STAT

IV. VISITS

Administrative Officer [redacted] to Gulf and Nicosia Bureaus 10-15 January on TDY visits.
