MEMORANDUM FOR: Director, FBIS  
THROUGH: Chief, Operations Group  
SUBJECT: Monthly Report -- Swaziland Bureau -- May 1985

I. GENERAL

New Charge Named -- Charge Charles Lahiguera will be leaving post in early July to attend the Industrial College of the Armed Forces. His replacement is Gerald Scott, who is currently serving at the United Nations. No word has been received on a candidate for the ambassadorial post which has been vacant since last September.

II. OPERATIONS

A. Editorial/Monitorial

1. On 23 May Luanda radio announced that a group of South African "saboteurs" had been captured on the 21st while attempting to blow up the partially U.S.-owned oil facilities at Cabinda. After an initial South African denial, Defense Forces commander Viljoen admitted the operation had taken place but said it was an intelligence mission to gather information on the ANC and SWAPO. On the 28th the Angolans held a press conference at which the captured RSA commando appeared, claiming that the raid was indeed directed at the oil facilities. The bureau remained open all night to process the press conference and then processed additional information from a broadcast the following day. The bureau also remained open late on the 30th to process an Angolan statement and an ANGOP commentary on the RSA raid. Political officer Tim Carney in Cape Town requested a number of items relating to the issue be refiled to Assistant Secretary Crocker in Paris as well as a number of other embassies.
